Juslyn Cabrera Manalo

(b. 1980)

Juslyn was eight years old when her family moved from San Francisco to Daly City. She grew up in a multiethnic community that shaped her work as a community service worker fighting for Filipino World War II veterans, affordable housing, and youth development opportunities. An alumna of SF State University, she earned her BA in Asian American Studies and later a Master's in Public Administration. Juslyn was Daly City's first Filipina American elected in 2016 to City Council before becoming mayor in 2018 and 2021. She is currently the city's Vice Mayor. Raised in Daly City as a child, she continues to serve that community to champion community development opportunities and APIA representation.
